

Friday Night Lights!

The Peninsula Stadium Lights Steering Committee is thrilled to announce that on Thursday, July 22, the Palos Verdes Peninsula Unified School District Board of Education unanimously voted to approve the first phase of the Capital Campaign for the installation of lights at Peninsula High School.

This truly is an historic moment in our community, and we would like to thank all of you for your support throughout this process. Having lights at the school will finally enable us to have **Friday night football** games like most high schools throughout the country. This opportunity will allow our entire community to come together on Friday nights to spend time together and share in the experience and magic a night game brings.

We are committed to ensuring that this project will benefit our students and the Peninsula community and will continue to work hard to bring the next phase to our Board for final approval. The project is estimated to cost approximately \$550,000, and must be funded entirely through private donations. This cost includes modern lights and sound system, that are directionally targeted to minimize sound and light spill.

We need your help in reaching this goal. It is very important for us to have a wide array of financial support from throughout the school and the community. Your donation is completely tax deductible. **Please consider donating today; your generosity is greatly appreciated.**

Donor Recognition Levels

Panther Club

\$25 - \$999

Name on donor banner

Gold Panther

\$1,000- \$4,999

Name on donor wall (4" X 8")

Black & Gold Panther

\$5,000 - \$9,999

Name on donor wall (8" X 8")
